

Certificate of Service to Royal Arch Masonry

With a Provincial Team of 22 Companions supporting him, the ME Grand Superintendent visited Denison Chapter No 1248 in Scarborough on Friday 11th April 2008.

After the well rehearsed Exaltation of David Brocklesby, the MEGS invited the Provincial Assistant Scribe E, Andrew Lowthorpe, to read the citation; this covered many facets of the life of the recipient Billy Hughes, over the last 90 years. Companion Hughes, who had acted as one of the Sojourners in the earlier exaltation, was then presented to the MEGS who add a few personal words of appreciation for his many commitments to Lodges and Chapters that meet in Scarborough, before presenting him with a framed Certificate of Service to extended applause
