

Peace Lodge supports a trip to the Scout Jamboree in Sweden

After her son Jamie received support from Peace Lodge who meet in Middlesbrough Gillian Rathbone wrote to lodge member Paul Scrimgour:

Hello Paul

Your lodge kindly donated some money towards my son's trip to Scout Jamboree in Sweden. He returned today completely exhausted and full of stories and the word amazing has been mentioned a lot of times. He actually had two days in Denmark 10 days in Sweden and 5 days on home hospitality in Holland.

I would like to thank you again for your kind donation and I believe Jamie will treasure the memories and hold dear the friendships made for the rest of his life. I have included a couple of pictures that shows Jamie and friends on the camp in Sweden.

He will write to you in the near future and a group get together has been organised for Oct (not entirely sure when) but an invitation to this event should be sent to the lodge as a thank you. Hopefully someone will be able to attend and meet the group and see what they actually achieved during the jamboree.

Thank you again for your kindness.

Gillian Rathbone
