

Great Charity Works by the St. Cuthbert's Lodge

The members of St Cuthbert's Lodge Number 630 have had a busy few months raising money for good causes. In July they undertook a Sponsored walk in Ripon where they raised over £1,300 for the charity Candlelighters, this is a Yorkshire based charity which supports children suffering from Cancer. The 8.5 mile walk started at Ripon Cathedral and took in the sights of Studley Royal Deer Park.

The happy band of walkers at Studley Royal Deer Park with Peter Thompson, Charity Steward of the lodge (wearing the blue baseball cap) – Well done to everyone for their great charitable efforts over the year.

In August they held a very successful Coffee Morning where they raised £430 for Macmillan's Cancer Support. At the Coffee Morning there was a Cake Stall, Second Hand Book Stall, Bric-a-Brac, Tombola and Raffle as well as a car wash so people could look round the stalls and have a cup of coffee while having their car washed.

Throughout the last few months the members of St Cuthbert's have also been raising money for Macmillan's by filling empty Smartie tubes with 20 pence pieces, so far they have raised over £120 this way. Along with the money raised by holding raffles at 2 Sunday Lunches, St Cuthbert's has so far raised £900 for Macmillan's.
