

## **BIG BOOST FOR CAMPSITE FUND**

Scarborough and District Scout Association's plans to modernise its campsite had a boost when The Provincial Grand Charity donated £1000.

The cheque was presented to the District and Deputy Scout Commissioners by three representatives of the Denison Lodge in the persons of the Almoner, Treasurer and Senior Warden.

The deputy district commissioner for Scarborough and District Scout Association, said "We were very pleased with the money we never expected all that. We have a lot of money to raise so we are very grateful."

The site at Birch Hall near Langdale End needs updating and the local movement has to raise thousands of pounds to get the job done.

New showers and toilets are to be installed along with a modern kitchen, sleeping accommodation and disabled access will be improved.

The Provincial Grand Charity approved the donation following a petition from The Denison Lodge.

A report and picture of the presentation appeared in the Scarborough Evening Post on the 18th August 2004.
