

THE ASSOCIATION OF FRIENDS OF CONNAUGHT COURT
ANNUAL SUMMER FETE SATURDAY 18TH JUNE

On a fine sunny summer's day Freemasons, their families and friends arrived at the garden fete from across our Province and beyond. Many fundraising stalls were already in position together with a display of wonderful classic cars, the brass band was well practiced for the occasion and ready to strike up once the fete had been officially declared open by our own Provincial Grand Master VW Bro. Richard Anderson.

The Home Manager, Margaret Cade and the staff of Connaught Court, wish to thank all the visitors that supported the event, lodges and Chapters for their donations not to mention a special thank you to all the stall holders who had put so much hard work and dedication into making the day a great success. The residents can now be assured of those little extras that will make their lives more comfortable and interesting. Almost £3,000 was raised at the Fete.
