

HOLDERNESS LODGE SUPPORTS THE LIFEBOAT

At its Meeting on Monday 18th February 2008, the Holderness Lodge hosted the crew of the Withernsea Lifeboat at its Festive Board. Afterwards, Martin Woodhouse the Operations Manager gave a very informative talk, explaining how the RNLi, and in particular the Withernsea Lifeboat Station, operates. Bro Dieter Ellwood, Master of the Lodge, then presented Martin with a cheque for £500.00. The money, which had been raised at recent meetings will be used in Withernsea to provide equipment for use at the Lifeboat Station.

Martin Woodhouse invited all members of the Lodge and their partners to visit the Lifeboat Station in the near future for a guided tour and this is something members look forward to.

The Master expressed his hope that, despite the Holderness Lodge relocating to the Masonic Hall, Beverley Road, Hull, it would maintain its links with Withernsea and continue to support not only the Lifeboat Station, but also other Withernsea good causes.
