

MASONS IN THE SWIM

At their recent Ladies Evening the Francis Drake of York lodge raised no less than £405 from a raffle and this was subsequently presented to The New Earswick Swimming Club for the Disabled. The cheque was presented to Noreen Astbury, the Secretary of the Club by Malcolm Farrow, who is currently Master of the Lodge and his wife Janet. Much needed support for a group which helps a lot of people who would otherwise be unable to use a public pool.
