

Freemasons help ex-offenders into work

Following a chat over dinner, two members of Albert Victor Lodge 2328 have come together in an effort to help some offenders to “go straight.”

Martin Eade and W. Bro. Stanley Hardy (Chair of the West Yorkshire Probation Service) organised a highly successful pilot scheme to train ex offenders as para-medics which resulted in a number gaining N.V.Q.s and all but one securing a job.

Albert Victor Lodge members have already agreed to make a donation from the lodge’s Charity Fund to support this work.
