

“The Youth Club for the sight impaired”

More children benefit from Masonic generosity

Earlier this year the Handyside Masonic Lodge at Saltburn held their annual Stewards Charity Social. The theme for this year was a Ceilidh at the Skelton Civic Centre and raised £500.

It is a custom in Masonic Lodges to support local communities.

The Youth Club for the sight impaired meets at the Middlesbrough Blind School and the Worshipful Master of the Handyside Lodge and his Charity Steward were pleased to represent their Lodge and present a cheque for £500.

The youth club is run on a voluntary basis, support and help is always appreciated.
