

Installation of Huntcliff Lodge

At the Installation of Huntcliff Lodge on Thursday 3 November the Installing Master, Bro Barry Parvin invited Bro Leslie Horgan to take the Chair and open the Lodge. Bro Leslie, who will be 98 years young later this month, was last in the chair of the Lodge exactly 50 years ago and has attended the Installation meeting almost every year since even though he has for some years lived in Worcestershire. The Provincial Grand Master was in attendance as Huntcliff is his mother Lodge, but more particularly, as the new Master, Bro Rob Cowey had been the first initiate in his year as Lodge Tyler. There were 97 Brethren at the meeting including the ProvGM's small team of Provincial Officers
