YORKSHIRE (North & East Riding) CELEBRATES 100% HISTORICAL RECORDS SURVEY RETURNS

The Pro Grand Master Peter Lowndes joined the representatives of more than 35 provinces to celebrate the success of the first phase of the Historical Records Survey at a reception at Freemasons' Hall in London in May.

Survey returns were received from 6021 lodges and chapters but **only nine provinces made a 100% return and OUR'S was one of them!**
