

Consecration in Northallerton of the White Horse Lodge of Installed Masters No 9807.

Saturday 15th October 2005 was a very special day, with the consecration in Northallerton of the White Horse Lodge of Installed Masters No 9807. The quite unique ceremony was followed by an excellent lunch during which, a total of £2,000 was donated to Festival 2006 by only 150 brethren. A very special day indeed.
