

## **Installation Meeting of Saltscar Lodge**

The Provincial Grand Master attended the Installation Meeting of Saltscar Lodge on Thursday 15 September and was delighted to receive from the newly installed Master Bert North, an unexpected further contribution from the Lodge of £1,000 bringing the total Lodge donations to over £17,000. Well done Saltscar Lodge. Richard Anderson suggested to the Master that with another 8 months to go before 20 May 2006 he hoped the Lodge might manage a further contribution in the Spring.
