**Non Masonic Grants
Guidance Notes & Application Form
July 2008**

Grants may be available to a Lodge or Group of Lodges to assist with their charitable activity.

Applications, on behalf of organisations which meet the following criteria, will be considered:

- ✓ **Must be a Registered Charity**
- ✓ **Operate primarily within the Province**
- ✓ **Able to supply audited financial statements, preferably for the preceding three years**
- ✓ **Grants are usually given for the provision of appropriate equipment and not for operating or running costs – it is helpful if a priced “wish list” of equipment is included with the application.**

Special Provisions currently exist for churches, for the fabric of their building, and for Students & Young People on one off educational or developmental initiatives.

A simple application form – attached - needs to be completed and approved in open lodge before submission to Provincial Grand Charity – via the Provincial Grand Charity Steward – contact details are given above & below.

All submitted complete applications will be considered at the next meeting of the Standing Committee which meets in March, June, September and December of each year.
