

Successful End to December 2005

Richard Anderson, as President of the RMTGB Festival 2006, had a very successful end to December with a number of visits to Lodges as our Provincial Grand Master.

Lennox Lodge in Richmond started the generous contributions with a further donation £1,000. This was followed by Beresford -Pierse Lodge, where Bro Mike Osgathorp the Charity Steward presented a cheque for £7,500 to bring his Lodge total to £40,000.

Five days later, the Hull Old Grammarians Lodge presented a cheque for £6,000 which represented a huge increase in overall contributions from this Old School Lodge. To add icing to the cake the same evening, Bro Alan Baxter of Holderness Lodge also handed over a further £1,000 from that Lodge.

There was also a significant private donation as well as a number of equally important contributions sent directly to Bro Terry Burt the Festival Secretary during December.

The PGM was heard to remark that with such generous donations as we have had leading up to Christmas, perhaps we really are going to make the target of £2million!
